All regular employees are paid their annual salary in regular installments on a semimonthly schedule.

For timekeeping purposes, work records for regular employees should be submitted using the overtime pay and substitute employees schedule. This does not affect regular salary amounts or the scheduled payment of these.

School-based personnel (excluding administrators) may elect to receive pay throughout the year instead of only during the school year by electing to receive "summer pays." To do so, they must contact payroll prior to the beginning of the payroll schedule for that school year.
